

## SPRING BREAK CAMP ENROLLMENT

In 2021 we will be having four Summer Camps. Cowgirls and Cowboys need to be at least 5 years old to participate. Cowboys and cowgirls can bring a mid morning snack if they please. In order to allow quality instruction, space is limited. Cost for attending camp is \$300.00 per child. A 50% non-refundable deposit is required in order to reserve a saddle for each ranch hand. The balance is to be paid the first day of camp. Sorry there are no refunds or date changes. Every child needs to have a completed release form filled out and signed before they can participate. For their safety, all cowgirls and cowboys are required to wear boots, jeans and a helmet when riding. They will not be allowed to participate in the riding sessions if inappropriately dressed. If your child has a helmet, feel free to bring it (most bicycle helmets work just fine for horseback). If you do not have a helmet, we can provide one.

Please complete the both forms and return with the deposit to reserve a spot by the campfire. If you should have questions or special needs don't be a burro, call the Ranch at 316.722.2680.

### **HALF-DAY CAMP: Horse & Pony \$300**

Through the week we will cover the following:

- Stable Care & Horse Maintenance
- Assisting with bringing horses and ponies in from the lots
- Grooming, hoof care, and tacking up
- Horse Breeds, anatomy, and terminology
- Parts of the saddle and tack
- Learning about horse feed and water needs
- Spending time with other animals around the farm

Every day, kids can expect to spend about 2 hours riding. Half of this time will be bareback with ponies, the remainder will be in the saddle on horses.

We will have 4 instructors as well as a number of assistants for the different aspects of the camp. We will work to keep groups small and follow social distancing guidelines. Instructors will wear masks, and we encourage participants to wear masks as well. When horseback, no masks are required.
